Sundeala is manufactured from 100% recycled materials. There is a choice of 9 colours, 6 of which are fire rated (FRB) to EN13501 Class B. Sundeala has a pre-sanded surface that requires no fabric covering. This high density board offers years of serviceable use.

Also available in the sundeala range, sundeala fun shapes, unframed boards, hardwood framed in Oak, Mahogany, and beech, lockable wooden tamperproof boards and aluminium framed sundeala boards.
